QUALITIES

Passion

I enjoy every aspect of computers, and love to learn about them. If there is something that I don't know well enough, I am more than willing to learn it in my free time, and I can learn it quickly.

Teamwork

I enjoy working with a group, and love seeing a plan well executed. My past employment has relied heavily on each team member functioning as part of a whole.

Organization

I can follow plans and procedures, and work well under management. I am a result-oriented person, focused on honesty and accomplishing goals.
